

Steller Parent Group

Supporting the student body in many ways

Steller Parent Group: Our mission is to enrich the lives of Steller students through financial support and leadership from parents.

Annual Donation: Steller Parent Group requests that each family contribute what they can afford to the Parent Group. A \$60 average donation per student supports previous levels, and an \$100 donation will help us grow our support. We encourage everyone to participate at whatever level they can afford..

Souper Steller: Serving our students in the school kitchen by making free soup at various times throughout the school year. This is a joint effort between parents and students.

Events: Some of the events Steller Parent Group has hosted in the past are: The yearly BBQ, the yealy Auction, an ice cream social, and other events.

Classroom / Teacher support: Teachers at times have special projects that need some financial help. Steller Parent Group is here to help support them.

Student Proposals: Students are welcome to present their ideas to the Steller Parent Group. Community projects or school improvements, large or small, that have a positive impact are welcome for consideration.

Parent Proposals: Parents are encouraged to bring their ideas to the table for consideration. We need your ideas to push the Steller Parent Group forward into new ways of supporting our students.
