

Anchorage School District
Educating All Students for Success in Life

Northwest Liberal Arts College Information Night

Tuesday October 15, 7:00pm – 8:30pm
Service High School Theater

(entrance behind school next to gym)

All A.S.D. students and families are welcome to attend this event to hear about the excellent options for high-quality liberal arts education close to home. Learn about admission requirements, financial aid, how to become the best applicant, and answer any questions you may have. We will have a panel presentation, followed by questions and answers, then time for families to meet with each school individually.
