Inspiring a Community of Independent, Confident, Self-Directed Learners

Dear Stellar Staff,

The Stellar Auction Committee invites you & your Advisory Group of students to create an item or gift box for the January 24th event.

Due to limited space at our venue, we ask that each gift box be the size of a medium flat rate shipping box (approx 8.5"X11"). We are suggesting that each group choose a theme, gather donated items related to the theme & assemble them in the gift box. Feel free to decorate the box, cut it down or go high. Students who want to donate a service like snow shoveling, babysitting, etc. can use the attached "Gift Certificate" form and include it as part of the total package.

Please complete the form below with each basket.

Please let me know if you need ideas or assistance. We ask that gift boxes be completed and delivered to the office with a donation sheet from your group by Tuesday, January 21 at 2:00.

Thank you for your consideration & we look forward to some creative student donations.
