Anaya Latin Dance excited to offer FREE dance classes for all Anchorage School District secondary students in partnership with the Anchorage Concert Association! Classes will be held from 2:30 to 3:30 pm - on Mondays at West High School in the Dance Room, and on Wednesdays at Steller Secondary School in the MPR. Students can choose to attend sessions at either school, and the courses will last eight weeks starting the week of September 20<sup>th</sup> and ending November 10<sup>th</sup>! On November 15<sup>th</sup>, the two groups will meet at West to culminate the project where they can also meet other local dance instructors and see social dance demonstrations.

We will be dancing Cuban salsa in the classes and everybody will dance with everybody, so there will not be fixed partners. Participants can expect a little bit of mambo, a little rumba, a little reggaeton, and a lot of laughter and tons of fun! Students will not only learn to dance but will also build confidence and meet new friends. Students must sign up in advance, and masks and frequent hand sanitization will be required, among other health & safety considerations!
